

CROESO I MOLLY'S

Post-summer we have a revised menu created by our executive chef from our sister restaurant; The Tavern on the Bay.

This new menu brings together dishes that have worked well at both restaurants within the group and has flavours of a great American Steakhouse with a few surprises as well, all at fantastic value.

To our regular guests, it's great to see you once again. For those new to Molly's, I very much hope you enjoy your experience with us. To all, please be so kind as to recommend us to a friend.

Thank you very much
